**Role in this project. Data will be used for what purpose?** \_\_\_\_\_

*In consideration for receiving data for the above named Project named, I understand that this data is changeable data, made available for my convenience. I understand that I utilize the data at my own risk, and that only stamped plans, reviewed and signed by the engineer/surveyor represent designs able to be referenced for construction purposes, and they serve as the control documents against which changeable CAD data should be periodically verified. In addition, I agree to take all preventative measure to insure that the data I receive, or any part thereof, does not become transmitted to other parties in any original or edited form, or used on other projects without prior written consent. I indemnify White Mountain Survey Co., Inc., for my use of said data. I agree to compensate White Mountain Survey Co., Inc. for any cost associated with the preparation of this information.*
